Signature of Registering Officer

Note:

- (1) The transactions and encumbrances shown in the certificate are as per the property description given by the applicant. In the registered documents if the property is differently described, the facts disclosed in such documents shall be entered in this certificate.
- (2) The persons who intend to examine the details entered in the Registers and index in accordance with Rule 165(1) Section 57 of the Registration Act or require the copy of such details of transaction certificate of the property, should personally conduct the search and on payment of the prescribed fee, registers and index shall be produced before him.
- (3) Since the applicant himself has not conducted search in this case, this office has scrutinized as possible. This department shall not be liable for any error in the search result comprised in this certificate.

(This certificate is digitally signed and does not require any Seal/Signature in original)
